WHAT WE BRING TO FOODSERVICE

- Rooted in American dairy. U.S.-made dairy products featuring ingredients sourced from U.S. cows' milk, with qualifying products carrying the REAL® Seal.
- Flavor and consistency. Products developed for great flavor and dependable performance in foodservice kitchens.
- Built on innovation. Culinary, product development and technical expertise come together to create solutions for foodservice.
- Grounded in foodservice experience. An understanding of restaurant kitchens and operator needs informs the products and solutions we offer.

FARMER-OWNED.
OPERATOR-FOCUSED.

Restaurant operators and farmer-owners have more in common than you might think. Both are passionate about serving their communities, caring for others, and creating something meaningful that lasts. As a farmer-owned cooperative, Land O'Lakes is proud to be built on those shared values.

HELPING YOU SERVE
WITH CONFIDENCE

When you choose Land O Lakes® products, you're getting more than great-tasting dairy products. You're benefiting from the expertise and care that go into developing solutions designed for real foodservice operations.

In our on-site foodservice kitchen, products and recipes are evaluated using commercial equipment and tested across a variety of applications to help ensure dependable performance in the kitchen.

Behind every product is a team of chefs, food scientists, dietitians, nutrition professionals, and consumer insights experts who help shape product development, recipe creation, flavor exploration, and educational resources.

THREE WAYS
TO QUESO

Whether you need a low-labor, one-pot wonder or want to develop unique flavors, the journey to creating a signature queso begins with exploring the possibilities. Compare the ingredients and steps to craft the perfect cheesy companion for your kitchen's needs.

SAUCE

INGREDIENTS:
- 1 pouch of Extra Melt® Cheese Sauce

TIME & PREP:
- Low, ~20 mins.

ONE STEP:

1. Place pouch in pot of boiling water or steamer, remove at 165°.

SHREDS

INGREDIENTS:
- 2 parts Extra Melt® Shredded Cheese
- 1 part water

TIME & PREP:
- Medium, ~25 mins.

TWO STEPS:

1. Combine Extra Melt® Shredded Cheese and water.
2. Melt in double boiler or pot until it reaches 165°.

LOAF

INGREDIENTS:
- 2 parts Extra Melt® American Loaf
- 1 part water

TIME & PREP:
- High, ~30 mins.

THREE STEPS:

1. Break down Extra Melt® American loaf - shred or cube.
2. Combine loaf and water.
3. Melt in double boiler or pot until it reaches 165°.

MAKING NATURAL CHEESE

CULTURE AND RENNET + MILK = CURDS AND WHEY

Culture/rennet coagulates milk and helps determine flavor and texture of final cheese.

FLEXIBLE, FUNCTIONAL, FLAVORFUL.

Natural cheese delivers the fresh dairy flavor, and dependable versatility operators need to bring menu ideas to life. From specialty pizzas and Mexican-inspired dishes to creamy sauces and beyond, it helps create rich, satisfying flavor experiences while streamlining kitchen execution.
